

PURCHASER EDMONTON, ALBERTA

Founded in Edmonton in 1990, Hi-Tech Seals is a leading Canadian seal distribution company, with a longstanding commitment to customer service. The company's technical sales staff works closely with customers to find the best solution for sealing needs. We provide a complete line of sealing products, along with molded rubber, cast urethane, gaskets, plastics, ceramics, & tungsten carbide parts as well as custom machining to meet our customer's needs. In over 24 years Hi-Tech Seals has grown to five locations across Canada & one location in Texas providing products that perform beyond the customer's expectations.

With over fifty in-house training courses we have exhibited our commitment to educate our employees to aid in their professional development & career growth. In addition, Hi-Tech Seals supports external training programs for software, designations & other beneficial courses to help employees advance. At Hi-Tech Seals our people are a key competitive advantage.

Join a company that excels in developing and empowering employees to reach their potential.

The successful candidate will develop relationships and collaborate with both internal and external stakeholders. Responsibilities will include ensuring favorable terms and conditions for the organization, mitigating risk at every opportunity and ensure service levels are established that drive continuous improvement and cost management.

We offer a competitive compensation package with excellent benefits!

Qualified candidate must possess a high school diploma. C.P.P designation or post-secondary education in business or similar field would be an asset. Applicant with similar product knowledge would be considered. 3-5 years' experience is required; previous experience in an ISO environment is an asset but we are willing to train the right person.

Interested applicants should submit their resume with salary expectations to Human Resources, Hi-Tech Seals Inc., 9211 – 41 Avenue, Edmonton, Alberta T6E 6R5; email hr@hitechseals.com for more information on our company, visit our website at www.hitechseals.com
